A promotional banner for the Obsidian app. It features a dark background with a purple gradient bar at the top containing the text "New! Obsidian Canvas is here. Learn more →". The main headline in large white font reads "A second brain, for you, forever." Below this, in smaller white font, is the text "Obsidian is a powerful and extensible knowledge base that works on top of your local folder of plain text files." At the bottom, there is a purple button with the text "Get Obsidian for macOS" and "Version 1.2.8" below it. At the very bottom, in small white font, it says "Also available for [Windows](#), [Linux \(AppImage\)](#), [Linux \(Snap\)](#), and [Linux \(Flatpak\)](#). [More platforms.](#)"
